

# Birthday Celebrations!

## Room 9

Each student will be celebrated on their birthday!

Students with a summer birthday will get to celebrate in June.  
Students will be recognized on their birthday with the following:

- A small card will be on their desk in the morning.
- The child's name will be printed on the board.
- The class and I will sing a fun Happy Birthday song to your child after our morning activity.

**Students do NOT need to bring birthday gift bags.** However, if a student chooses to bring gift bags, please follow these guidelines:

- STUDENTS MUST BE ABLE TO QUICKLY AND EASILY PASS OUT THE GIFT BAGS THEMSELVES AT THE END OF THE DAY.
- Due to a variety of food allergies I recommend **NON FOOD** ITEMS SUCH AS:
- Gift bags with small prizes, etc... (Thank you, Dollar Tree!).
- Gift bags must come to school with the child in the morning, or they may be dropped off in the office.

### **HANDING OUT PARTY INVITATIONS:**

If you wish to hand out birthday party invitations, please use the class roster to email invitations or call families. **You may NOT hand out invitations at school.** The exception is if you are inviting every student in our class.
