

**JOIN US FOR
WELBY WAY'S FIRST...**

Community Connection

We will be kicking off a series of workshops for parents with Alison Ungardo of UTHRIVE WELLNESS, a non-profit specializing in bringing communities and families together through healing art programs and workshops.

Their mission is to encourage and teach people the fundamental skills to understand their emotions in a community setting that is safe and empowering. This fosters and nourishes the unique light in all of us.

**PLEASE RSVP TO ATTEND-
SPOTS LIMITED.
